Class Flower---Sweet Pea

WILLIAM EUGENE BOWSER

Class President (3), (4); Vice-President (2); Echo Business Manager (4); Football (1), (2), (3), (4); Basketball Manager (4).

"The motto of chivalry is also the motto of wisdom;

To serve all and love but one."

No, this isn't Rudolph Valentino, it is our honored president. He figures to keep this role and says 'tis no great stunt to sit where Lincoln sat if you only "peg" away and keep it up.

DOROTHY H. ANDERSON—"Dot"

Secretary-Treasurer (1); E Club (2), (3); Glee Club (4); Editor Echo (4); President Spanish Club (4); Latin Club (4).

"She knew by heart the decalogue,
But strangely loved the pedagogue."

No sweeter nor more loveable girl could be found than our "Dot." The best of students and the truest of friends.

CLYDE B. CRAMER—"Gibo"

Vice-President Class (3), (4); Echo (4); Football (4); Basketball (1), (2), (3), (4); Track (1), (3), (4); Captain (4).

No one has worked harder for the success of our class parties than good old "Cibo." And in athletics his determination has won many a basketball game and marathon race for the black and gold.

ETHEL B. ROTH—"Pete"

Orchestra (4); Glee Club (4); Historian (1), (2); Spanish Club (4); Basketball (1), (2); Latin Club (4).

"It is in learning music that many youthful hearts learn to love."

Ethel possesses many accomplishments. She is a talented musician, a splendid student, and also takes an active interest in the social affairs of the class.

DONALD STOUTT

Echo (4); Treasurer Athletic Association (4).

"An ounce of wit is worth a pound of sorrow."

"Don" is rather inclined to be quiet, but he believes that actions speak louder than words. He is an ideal student and in addition to that he cares for the funds of the Athletic Association in a very capable manner.

CLARA FLORENCE MOODY

Class Secretary-Treasurer (3), (4); Glee Club (4); Latin Club (4); Spanish Club (4); E Club (2); Echo (4).

"In her eyes the mischief twinkles,
Always in for lots of fun."

What would we have done without "Monk"? She has been a valuable asset to our class and is most popular with the "male (mail) men."

KENNETH DUMBAULD—"Kenny"

Orchestra (4); E Club (1), (2), (3); Echo.
 "He is gifted with genius who knoweth much by natural talent."

Some people think he's "Moody." "Kenny's" a fine fellow and we are glad he is graduating with us.

MARGARET ACKERMAN—"Peg"

Historian (3); Echo (4); Spanish Club; Latin Club.

"She sings as one immortal and she dances goddess-like."

She's a "Peg" that is always square,
 Nothing she's afraid to dare;
 Bright and jolly, full of wit,
 She is winsome every bit.

HERBERT DAVIDSON—"Herb"

Orchestra (4); Echo.

"He needs no eulogy, he speaks for himself."

"Fuerst" in everything is Herb's motto. We are fortunate in having Herbert in our class. He is sure of success in whatever he undertakes.

THEODORA GUTENSOHN—"Ted"

Spanish Club (4); Latin Club (4); Glee Club (4).

"Dark tresses, man's imperial ensnare,
 And beauty draws us with a single hair."

A better pal than "Ted" could not be found.
 Her worth is indeed beyond "Price."

CARL KAIL—"Jack"

Jack is quiet, Jack's our friend,
 Straight as is a pillar,
 But when tests and studies pend,
 He's no giant killer.

RUTH J. HORNE—"Hornie"

Basketball (1), (2), (3), (4); Glee Club (4).

"Blue eyes that waver not, but have in them something Frank and brave."

Ruth is full of fun and chatter,
 Nothing ever seems to matter;
 But in basketball
 She can put it over all.

WINIFRED WORK—"Boots"

Glee Club (4); Spanish Club (4); Latin Club (4).

"A sunny lass from the land of sunshine."

"Boots" is one of the "brightest lights" of the Senior class, a jolly girl always brimming over with fun.

FRANKLIN KLEIN

"Worth makes the man."

Frank is a very deep man, indeed. He is a shark at history, but is absolutely girlproof.

PAULINE EVANS—"Billie"

Basketball (1), (2), (3), (4); Captain (4); Echo (4); Spanish Club (4).

"I can myself create my little world and draw all men to me."

Captain of the basketball team,

A leader in the gym,

She has surely proved her worth,

A girl with pep and vim.

MILDRED BLUNK

E Club (1), (2), (3), (4); Spanish Club; Latin Club; Glee Club.

"Learning by study must be won."

The honors that have come to her, were surely fairly earned.

The praises that we give her show that learning she's not spurned.

CARL SIMON

"By the work one knows the workman."

Overflowing with good nature,

In Physics lab. a shark;

With his everlasting energy,

In the world he'll make a mark.

MARGARET PATTERSON—"Pat"

Basketball (1), (2), (3), (4); Spanish (4).

"Around her eyes her tresses fell,

Which were blackest none could tell."

Basketball is Pat's own game,

In it she has made a name.

Jolly and a friend that's true,

Pat has always been true blue.

KATHERINE GALE MAURER

Basketball (1), (2), (3), (4); Echo; Spanish Club; Latin Club; Glee Club.

Kay is an "all around girl." Her versatility is well known. She has made a great forward on the basketball team, is a good student and a good sport. One of her chief delights is to tread the fantastic maze on a waxed floor.

JAMES MITCHELL

"Where words are scarce, they are seldom spent in vain."

Jim is no prattler but always has an audience when he chooses to speak, also when he sings, for he is the possessor of a fine tenor voice.

EDITH ANNE BENNETT

Glee Club; Historian (4).

"Give me excitement or give me death."

Here we have her, the only original Bene. Always ready with her never-failing "pep." No party or dance is complete without her.

ROBERT PATIN—"Bob"

Football (1), (2), (3), (4).

"Every man has his devilish moments."

Care sits lightly on Bob's shoulders. He is happy-go-lucky but never falls down on his work.

HETTY J. REESE

"Innocent as the sunshine, simply sweet and generous as that."

Another one of those rather quiet ones whom everyone admires and likes. Naturally of a sober demeanor she prefers to remain in the background rather than advertise her achievements.

SMITH BARBER

"Here's a nice youngster of excellent pith. Fate tried to conceal him, Smith."

Barber came to us from Tippecanoe this year. He has a genial smile and is a fine fellow.

RALPH MORRIS—"Red"

Football (3), (4); Basketball (3), (4),
 (Capt); Track (4). "A modest lad."

"Lefty" was never a shining light in the
 class room, but in athletics there is a different
 story to tell. We are mighty proud of "Red."
 He is a winner.

IRMA V. HINES

Glee Club (4) Spanish Club (4).

"It's nice to be natural when you're naturally
 nice."

Irma intends to be a missionary and we
 are sure that when she encounters the heathen
 they will all fall victims to her soft, assuasive
 voice. She is a loyal supporter of class spirit.

ALBERT HUNT

"Ability is thy middle name. Diligence is
 thy first and consideration thy last."

AVALINE FERRELL

Spanish Club (4).

"It's the little things that count."

Little, vivacious,
 Slightly flirtatious,
 With hair that is bobbed as you see,
 Often capricious,
 Sometimes contritious,
 And always as cute as can be.

OPAL M. HOST

Echo (4); Spanish Club (4).

"She will find a path or make one."

Here is a young lady who possesses an iron
 will. Nothing can change her when once she
 has decided herself upon a subject. The type-
 writer and the notebook are her favorite weap-
 ons, and with these she hopes to conquer an
 iron-hearted world.

EDWARD BENDER

"Deeds, not words."

Football (1), (2), (3), (4); Basketball (1),
 (2), (3); Track Squad.

It is lucky for us that Ed did not graduate
 last year as he proved to be a valuable addi-
 tion to our class. He can always be relied
 upon to do his best in athletics for U. H. S.

LAWRENCE PATTERSON

"The world has yet to see its greatest men."

A good, steady, rather quiet young man from the country, whose reputation for perseverance and success will be well established in U. H. S. history. He intends to go to college.

ESTHER CLARK

"The mildest manners and the gentlest heart"

Esther has been here just one year,
From Tippecanoe she hails,
Always kind to everyone,
To please she never fails.

GRACE STEWART

"True to her word, her work and her friends"

Grace is another one of our students from Tippecanoe. She can always be counted upon as she never fails to do her part.

GUY HENRY

"A little nonsense now and then, is relished by the best of men."

This young man is of a happy disposition, seldom seen without a smile. Once in a while he is observed to be in deep thought, probably threshing out some problem of vital importance. His ambitions are in the engineering field.

ETHEL DAUGHERTY

Glee Club (4).

"A merry heart maketh a cheerful countenance."

It is her aim to be a business lady. In this she is certain to be successful.

WESLEY PAGE

Football (1), (2), (3), (4); Class B. B.; Echo.

When a yard is needed on the football field, when ads are wanted for the "Echo," or when there is any difficult work to do, Wes is the boy to whom we turn to accomplish the task.

FLORENCE WARDELL

Spanish Club (4); Basketball (1), (2), (3); Latin Club (4); Glee Club (4).

"Love thy Neighbor as thyself."

Florence is one of our best class boosters and takes an interest in everything that goes on in school. Her favorite study is Physics.

BURDETTE GARTRELL

"He wore a bashful look."

From the quality of students that come to us from Leesville, it must be a great town. We found Burdette well worth knowing.

JEAN CROSS

Vice-President Spanish Club (4); E Club (3), (4); Orchestra.

"In virtue no one can surpass her."

The skies above—that is the goal, for one so skilled as she, a worker hard with a kindly soul, can naught but happy be.

HARVEY HAMMOND

A big-hearted lad, always ready to give a helping hand to anyone. A loyal backer of all U. H. S. Athletics. He is a chemistry shark, and an electrical wizard. Electricity is his chosen field. We are confident of his success.

ZELPHA HOOKER

Spanish Club (4).

"She is pretty to walk with and witty to talk with and pleasant too, to think on."

Zelpha is the kind that gets there. Her attractive smile and winning ways have made her quite a favorite in the class.

JEAN TIPTON

Latin Club (4); Glee Club (4); E Club (3).

"She moves a goddess, and she looks a queen."

Still, but deep; quiet, but learned is Jean. Her friendship is worth while, she is loved by all her friends and quite distinguishes herself in the classroom.

EARL METCALF—"Smiles"

"All the world loves a lover."
 Earl studies—some.
 Earl drives a car,
 Earl has a winning smile
 That will take him far.

DORA JONES

"Her heart is as far from fraud as Heaven
 from earth."

Here we have a wide-awake girl, full of enthusiasm and pep. On her left hand sparkles a diamond, and if there is any believing in old signs, her future is secure.

GEORGIA ROMIG

Orchestra.

"Silence is as great an art as speech."

She's a quiet, demure, young lass, who never makes much noise in class, but when she plays the violin, your heart she's very sure to win.

HAZEL McLAUGHLIN

Spanish Club.

"The mildest manners and the brightest mind."

She accomplishes what she sets out to do in a most pleasing and effective manner.

WALTER HUEBNER

"He is a wise fellow that speaks little."
 Subdued and quiet are his ways,
 His school work's merited much praise,
 A credit to his class is he,
 May great success in his life be.

JULIETTE CONWELL—"Judy"

Spanish Club (4).

"Graceful and useful in all she does."

Juliette has a smile for all her friends. Her cheerfulness will drive the blues away. Her liking for her lessons never ends. She is a true believer in fair play.

IRMA CHANEY

Spanish Club (4).

"Her wit will carry her through."

Formal, quaint, precise and trim, yet Irma never is too prim. This lass is a credit to our class.

HAROLD REISER

"I myself am dearer than a friend."

Well-known for his ready wit, which coupled with his attractive personality has won him a warm place in the hearts of his school-mates.

FLORENCE MURRAY

Spanish Club (4), E Club (3), Latin Club, Glee Club.

"Maiden with the dark, brown eyes."

Florence excels in ability as a student, conversationalist and dancer.

RONALD SIEGRIST

Orchestra.

"All musical people seem to be happy."

One of those steady, reliable fellows who give character to every class. "Siegie" has been quite prominent in musical circles and in class basketball.

MARGARET GUTHRIE

Spanish Club (4).

"As angels' visits, short and bright."

Margaret looks rather small when she walks about the hall, but those who know her all feel sure that for her the future is secure.

JOHN E. LEHEW

Latin Club (4).

"Oh spirit of love! How young and fresh thou art."

Here comes Marconi II., the radio genius of the rising generation. "Bus" also intends to write a book entitled: "Why I took Cicero in High School and what this study did for me."

RUTH LAIZURE

"Diligence is the mistress of success."
A very quiet and persevering girl whom we are proud to call our friend.

HELEN KENNEDY

Spanish Club.
"There is voice of mirth beneath her dignity."
Helen seems meek and demure at first sight, but to those who really know her she is lively and full of fun.

MARIANNE MARCHAND

"Maid Marianne is a flapper sweet,
Chic and charmingly petite,
She is bright and sunny all the day,
And surely drives dull care away.

EDNA GARDNER—"Eddie"

"I chatter, chatter as I go."
Edna has frequent encounters with the teachers since she simply cannot resist the temptation to talk. She is a good sport and is always ready for a party or a dance.

PEARL FLETCHER

"A blush is beautiful but often inconvenient."
Pearl drinks deep from the cup of joy and her ever-present smile and unfailing good nature are ample evidence of the fact.

PEARL BINGER

"Silence is better than empty chatter."
A shy maiden yet a very dependable one.

RALPH ALEXANDER DEMPSTER—"Fat"

Football (2), (3), (4); President Athletic Association (4).

"And the memory of the strong man lingered long among the people."

"Heap" hasn't been troubled much with that disease which we call "bookishness." He is too healthy for that. The part he played in Uhrichsville football successes will not soon be forgotten.

MARGARET CURTIS

Orchestra (4); Spanish Club (4).

Margaret is a lively lass, with quite a bit to say,

And with her friends and from class forsooth she is quite gay."

RUSSELL LINN—"Russ"

"Live, love and laugh, for there may be a time when you can't."

A hard worker—when he works. Loves nothing more than a good laugh. Exceptional executive ability was demonstrated by him during football season, when he served as Senior assistant manager.

GENEVA TIPTON

"Silence is better than empty chatter."

Little did we think four years ago that Geneva would be wearing a diamond before our school days were over.

CARL A. BENDER

Echo (4), Orchestra.

"He unconcerned would stand secure amidst a falling world."

Carl has contributed a great deal to the success of the "Echo." We never knew just how important he could be until this last year.

EDNA McCOLLAM

Orchestra; Secretary-Treasurer Class (2); E Club (4); Spanish Club; Latin Club.

"The eyes have one language everywhere."

Edna is our talented violinist and is in addition to that an exceptional student. Her ready wit and humor adds much to her genial personality.

FRANK McCLELLAND

President Class (2); Football (1), (2), (3), (4); Basketball (1), (2), (3), (4); Captain B. B. (3); Track Squad (1), (3), (4).

"None but himself can be himself."

"Butch" is no shrinking violet. Confidence and ability are his assets and as an all-around athlete he has no equal. Well liked by everyone who knows him.

ISABELLE COPPOCK

Treasurer Spanish Club (4), E Club (4).

We are proud to introduce our one exclusively E student. Isabel came to us this year from West Milton and has made many friends.

LESTER PATTERSON

"I am just as near perfection as most anyone can be."

Lester, like his brother, Lawrence, comes quite a distance each day for an education. He is a student of whom we are proud. He not only is a good student but also has what we call, real school spirit. His future is bright with promise.

EARL SIMPSON

"Sunshine" is the fun-maker of the Senior Class.

As president of the Detention Association he holds an enviable (?) position in the eyes of the students.

SENIOR CLASS HISTORY

Uhrichsville, Ohio, March 30, 1924.

Doris Dear:

I promised you that I'd tell you all that's happened to the class of '24 since you left school. Of course it's impossible to tell everything, so I'll leave out all small details.

When we entered High School as Freshman there were one hundred and three of us. Like all Freshman we were rather timid and hesitating, but after the royal welcome, in the form of a party, which the Seniors gave us in December, we gathered courage. We elected "Honey" Free as our president, and Dot Anderson as secretary-treasurer. The death of Pearl Wardell in December came as a shock to the class; she was well liked by her classmates because of her sunny disposition. Most of the boys went out for athletics—Johnny Green, Butch McClelland and Dutch Bowser were the "bright lights" on the football field. And we had two Freshman in the E Club.

The next year there were only ninety Sophomores. Blame the thirteen casualties on semesters. Having a little more common sense—or at least supposed to have—we were allowed to have our own party. It was a brilliant Hallowe'en affair. We chose Butch McClelland as our class president and Edna McCollam, secretary-treasurer. Again our "men" proved their worth in sports: Butch McClelland was chosen as basketball captain for the coming year, and Dutch Bowser and Johnny Green were gridiron heroes.

At the beginning of the next year, seventy-seven Juniors registered. We elected Dutch Bowser—or William E., whichever you prefer—as president; Clyde Cramer, vice president, and Claire Moody, secretary-treasurer. During Hallowe'en we gave a costume party for the Football Squad, which was a "howling" success. "Fat" Dempster, Greenie, Dutch and Butch were important football men again. McClelland and Lefty Morris were on the basketball varsity, and Pauline Evans and "Pat" Patterson shone on the girls' basketball team. In the spring, the annual Junior-Senior "prom" was given, which left us "broke" for the summer; though, of course, we willingly accepted this martyrdom, so that we might pay due respect to the outgoing Seniors.

And then the last, glorious year! It's worth all the trials and tribulations—namely, semesters, and detention periods—of other years, just to be a Senior, and to have the lower classmen look at you, with awe in their voice and manner.

Seventy of us came for the final year. We re-elected Dutch Bowser president, and Claire Moody, secretary-treasurer. Wes Page, Eddie Bender, Fat Dempster, Dutch Bowser, Butch McClelland and Johnny Green represented the Senior class on the football team. We entertained the Football Squad twice—at a wiener roast and a Hallowe'en party. Cibo Cramer, Butch and Lefty Morris helped our basketball team to win many victories. The Girls' Basketball Team, with Captain Evans,

"Kay" Maurer, "Pat" Patterson and "Hornie" on it, lost only one game. In March we entertained the Freshman class at a St. Patrick's Party, which "broke the ice" (if there was any), between the two classes.

Now we are looking forward to graduation time and its honors. There will be the usual banquets, the baccalaureate sermon, class play, graduation exercises—and then it's all over! Our final High School year will be finished and we will be Alumni.

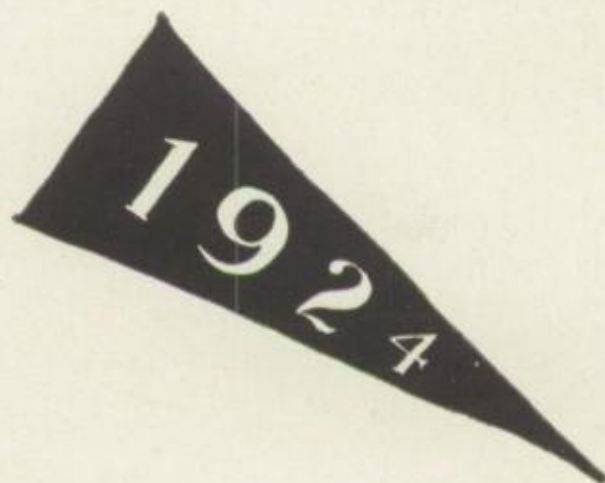

Your Friend,

A Member of the Class '24,

Edith Bennett.

HISTORY OF CLASS "25"

About three years ago we embarked on the good ship U. H. S. and sailed toward the port called Education, with a crew of about 140, with Mr. Shimp as pilot. The journey was to last four years, three of which are almost passed. When we first boarded the ship we had an idea it was going to be all play and no work, but soon decided that we had the wrong idea. If we thought we were going to be shunned the first year of our journey, we were mistaken, for we hadn't been many months at sea, when the Senior shipmates gave a party in our honor. Then, of course, we had our own Freshman party.

We almost lost some of our faithful sailors on the storms of Algebra and Latin, which occurred during the middle of the first year. However, they showed their spirit by sticking to it and came out with flying colors.

The first year successfully passed, we entered the second year as the despised Sophomore crew. About the first thing we did was to "help" the new sailors, "Freshies," as they are called, to get situated. They didn't seem to appreciate our help! Wonder why? Of course we had our annual party, as usual.

After a short rest at the end of that successful year, every one entered the third year with a rush. First thing we did was to get the crew together and decide when our first party should be. Everyone being in favor we immediately planned for a Hard Times party, which was a great success.

This year, as in the preceding years, we are still prominent on the Athletic Field. Hud Long, Johnny Lytle and Walter Devault are among the best representatives from the boys of our Junior crew. The most active of our girls are "Pat" Patterson and Mildred Green.

We are also noted for the honors we have carried off in studies. The first year there were eight of our members in the E Association, the following year there were nine eligible for the club. This year we are coming on filling our regular place in the club and will, if nothing happens.

At times the crew grows restless but soon settles down again. As the last and really big affair of this year's journey we are looking forward to the Junior-Senior Banquet. We are all going to do our best and make it a big success.

We are truly sad to say that we have lost a few of our original number, who, perhaps, when things seemed a little blue, became discouraged and left us. This year, having been a success, we are planning on making the next even a greater success.

We are nearing our journey's end. Next year about June, if all goes well, we will have reached the port, Education. I don't think there will be one of us who will not feel a little bit sad when the time comes to leave the old ship for good. After four years aboard the ship we will doubtless feel that we have been compensated for our travel.

SOPHOMORE CLASS HISTORY

In the year 1915 a small band of pilgrims well supplied with knapsacks, set out for the land of "Knowledge."

Arriving at their first milestone, they were confronted by the huge obstacles, their A B C's, which the majority easily overcame.

As they proceeded on their journey they were frequently joined by new comrades with whom they were compelled to climb over the huge mountains of "Reading 'Riting and 'Rithmetic," upon which many stumbled and fell, only to be helped upward and onward by their guides.

Finally they reached a high plane, "The Eighth Grade," where they held a conclave in preparation for larger and more serious events.

Their next realm was the land of "High School," where, as the tribe, "Freshmen," they were filled with timidity and awe. However, under the kind supervision of the rules of the land they chose a leader for their tribe and proceeded to win fame by their athletics and studies.

In the second year of their sojourn in this land, they became more and more sophisticated and were called Sophomores.

Encouraged by this honor, they outshone their former records.

As they near the close of their second year they are looking eagerly forward to the time when they will be Juniors, and *finally* Seniors, and their goal of "Knowledge" reached.

FRESHMAN CLASS HISTORY

Nine years ago last September about 130 stiffly starched little boys and girls, each one with a new primer, tablet and pencil, started toward the building where they were to begin their prospective school career. Many things are to be remembered by those of us who were among that number, as we look back over the eight years spent in the grades. Many were the strappings we received from poor, distracted teachers, for we were no better than any other class. For many years our teachers strove to teach us the "Three R's." Then we were taught to conquer such monsters as those which are called Geography, History and Hygiene.

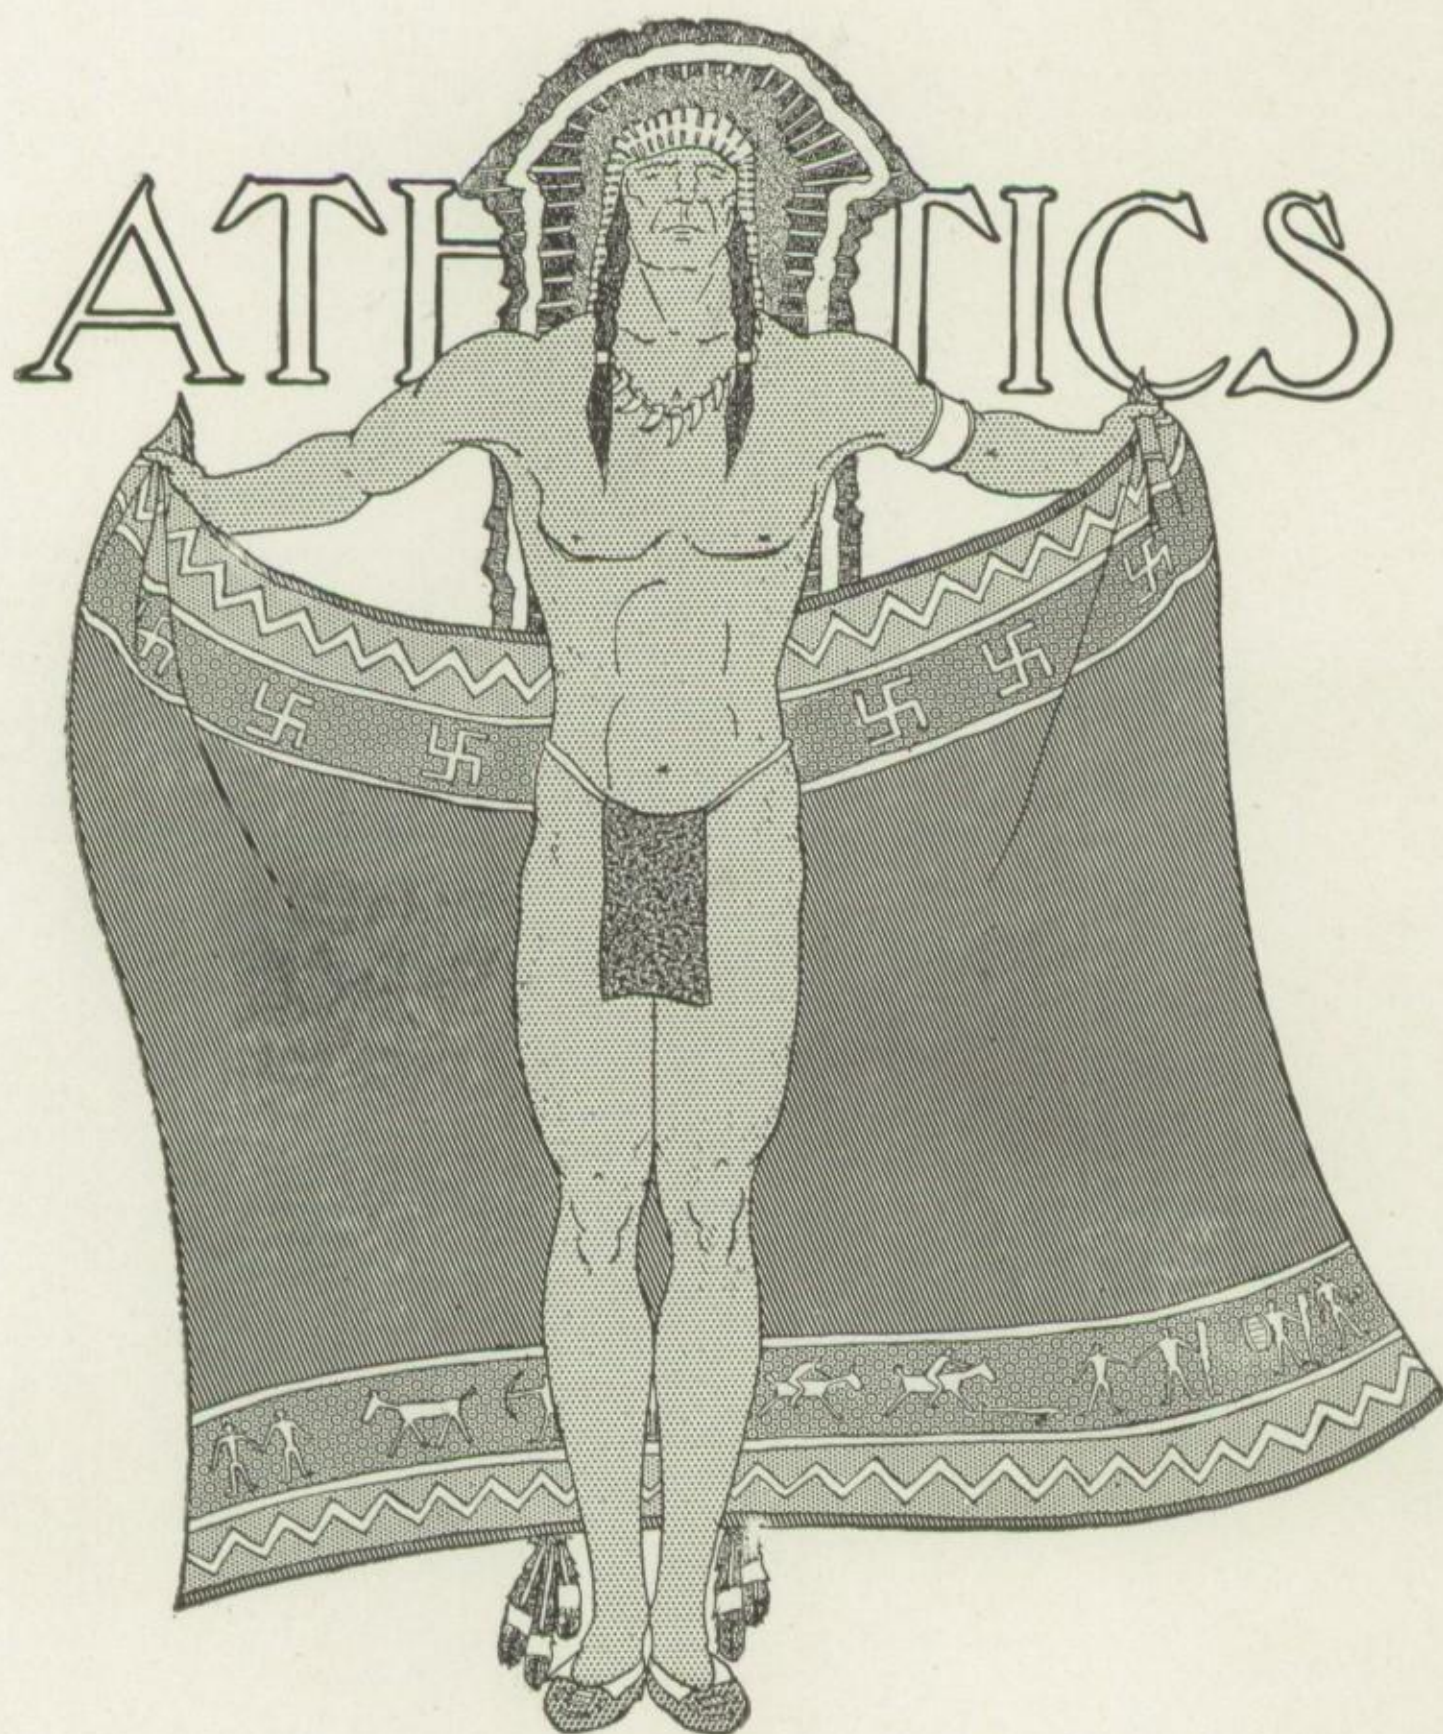

What about our teachers? Some we liked, some we did not, but we must admit that we should admire them all. For the "poor things" spent their lives trying to beat into the parts of our bodies known as our minds, a few simple rudiments of knowledge. Perhaps some came to believe in the "Darwinian Theory," and thought our minds were not as well developed as those of the primeval apes. But in spite of all this we gleaned at least a small amount of knowledge in the grades.

So in 1923 we entered our Freshman year in High School. The first few days were very exciting, because we were "green" and we soon learned it, too. The first night the masculine half of the class enjoyed (?) nice cool baths, while the feminine half found that walking in one's bare feet was no way to increase the amount of comfort, when one's shoes were put on the next day. But let the unpleasant past be forgotten, and let us now seek to remember only the pleasant times we have had this year.

A few things of which we are proudest are, that we were the first Freshman class to enter the new High School Building at the beginning of the school year; also, that there seems to be a few of the members of our class, both masculine and feminine, who are athletically inclined, who promise to add to the fame of our high school; and the last reason that should be mentioned is, that so many of our class have overcome the almost insurmountable obstacles placed before us in the form of Algebra, Latin, Commercial, English, and General and Domestic Science. We are glad that it is understood that the greater part of our number will be known next year as the "Sophomore Class."

FOOTBALL

U. H. S. opened its football season on Sept. 22nd, with a game against Cadiz. The visitors were of an unknown quantity but were expected to make a good showing against the locals. They were unable to stop Capt. Maurer, however, and we chalked up a 26-0 victory.

The next Saturday, Mingo journeyed to Urichsville and engaged our team in one of the most fiercely fought games of the season. Due to good generalship on the part of "Hud" Long we emerged victors by a 7-0 count.

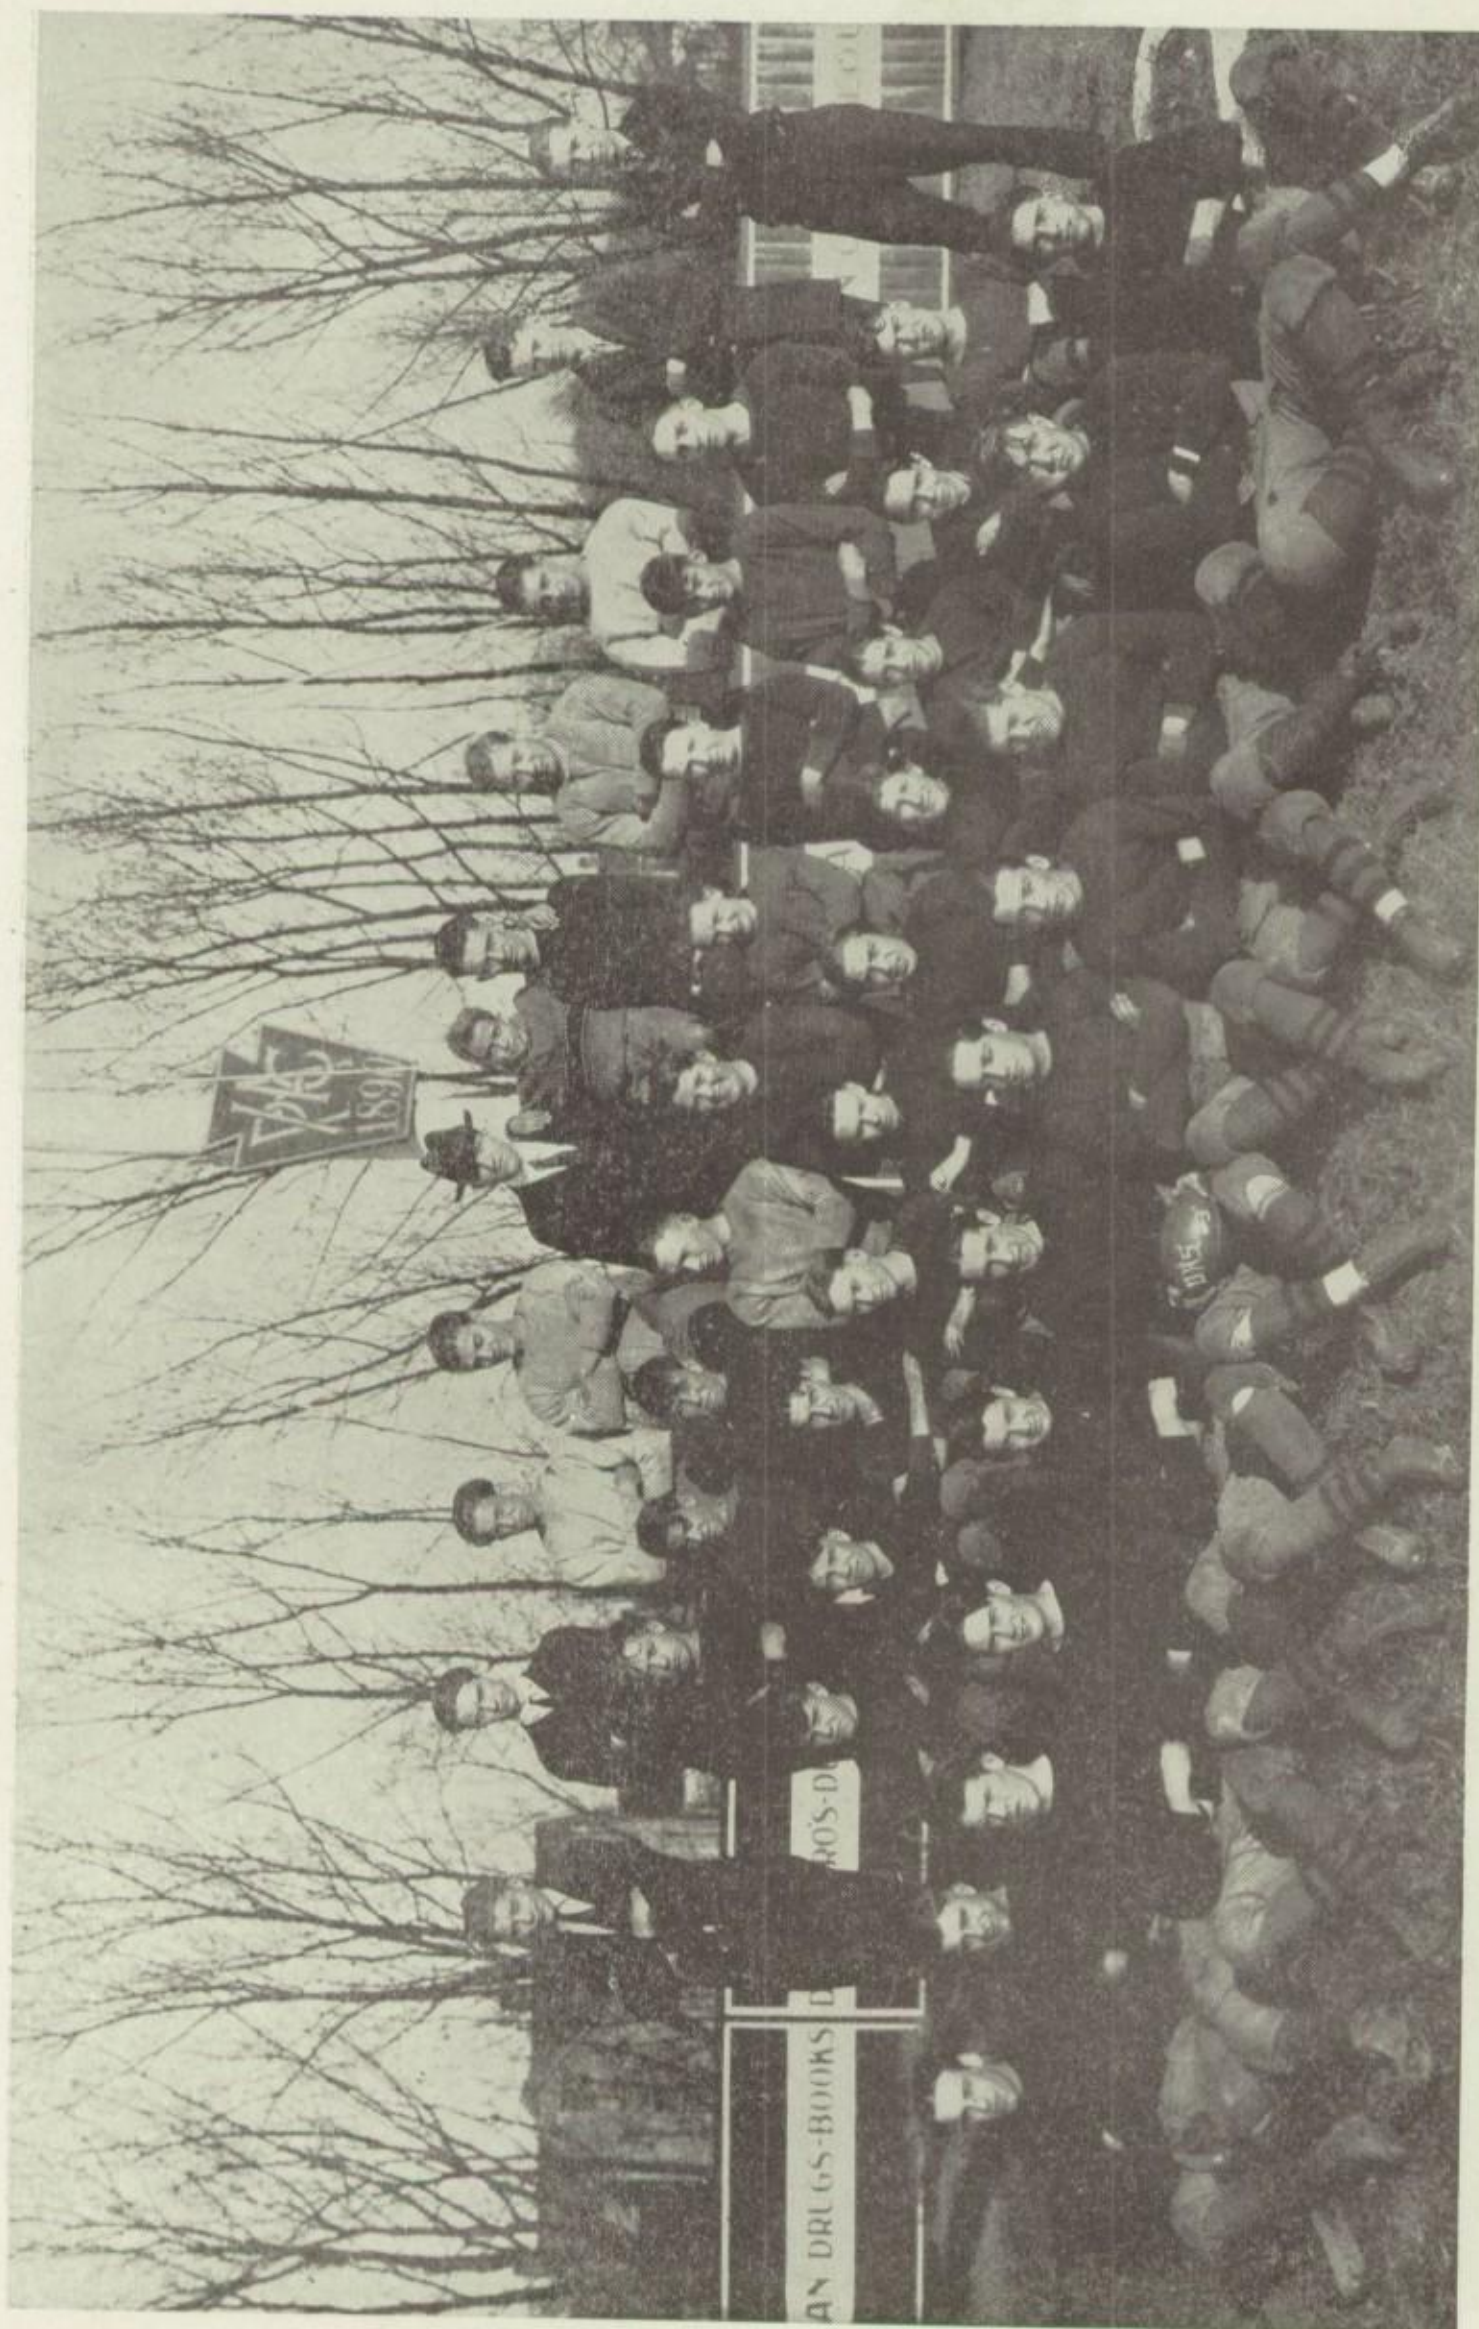

Apple Creek was our next victim. They were utterly unable to cope with our team and were smothered under an avalanche of touchdowns. The final score was 95-6. The big feature of the game was the scoring by most of the local linesmen.

The game with Phila on October 13, will go down in history as one of the hardest fought games in which a black and gold team ever participated. Both teams were determined to win and both tried vainly to score. The final count was 0-0. Our whole team played wonderful football.

Cambridge came to Urichsville on October 20, aching to get revenge for the defeat which they received at our hands last year. They were sorely disappointed, however, and had to content themselves with the short end of a 34-0 score. "Butch" McClelland on the offense and Bowser on the defense were the stars.

Libson Hi, with their much heralded forward pass attack, was able to secure only two first downs against us. Meeting them at their own game Maurer and Co. passed "rings around them." The final score was 50-0.

The powerful Alliance Hi team was defeated 35-0. Our whole team played as one big machine and Alliance was unable to carry the ball within our 35-yard line. Our victory was sugar coated as Alliance is the home of our coach, Jimmie Robinson.

FOOTBALL SQUAD

Playing our second game away from home, U. H. S. easily defeated Coshocton, 37-6. Maurer's two 90-yard runs for touchdowns and two blocked kicks by Page which resulted in touchdowns were features of the game.

The next game was a mud battle with Dover. The north county team never had a chance and was defeated 52-0. By virtue of this score we can safely lay claim to the county championship as Dover subsequently held Phila to a 13-7 score.

After being on the short end of a 2-0 score at half time, U. H. S. came from behind and defeated Millersburg, Holmes County champs, 6-2, in our final game. Johnny Lytle's deadly tackling and Eddie Bender's sensational punting were easily the features.

THE LETTER MEN

CARL MAURER, Captain and Halfback

"The dashing, daring halfback."

"Gig" was indeed a good pilot for this year's team. He was the irresistible force of the backfield, and the most consistent ground gainer on the team. The first man to be awarded a letter for four consecutive years on the team.

"WES" PAGE, Tackle

Always on his toes, always fighting and always tearing in, "Wes" was the main cog in the black and gold defense. Page will be remembered as one of the greatest linemen ever developed at U. H. S.

*Maurer**Page*

EUGENE BOWSER, Center

"Dutch" has played his last game of Varsity football, under the black and gold. He was surely a valuable man on this year's team and he will be remembered for a long time after he is gone.

EDWARD BENDER, End

"Eddie" played a most spectacular game the entire season and was one of our outstanding stars. This is Eddie's second and last year on the team and his place will be hard to fill.

JOHN GREEN, Tackle

This was "Johnny's" third and last year on the team, and as the old slogan goes, age and experience work wonders. Johnny played a stellar game throughout the season.

*Bowser**Bender**Green*

*Lytle*

JOHN LYTLE

"Johnnie's" ability to smash the opposition when it looked most dangerous, capitalized with his speedy get-away, marks him as a most promising end. We feel perfectly safe in saying that much may be expected of him in the future.

RALPH MORRIS

The lanky plunging fullback "Red" played his first year of High School football and did much toward helping U. H. S. go thru the most successful season for many years.

*Morris**Maxwell*

"TONY" MAXWELL

"Tony" has been the old reliable of this year's team. He filled in at tackle, fullback or center with equal proficiency. His touchdown against Apple Creek will long be remembered by his many admirers.

"CIBO" CRAMER

This was "Cibo's" first year of football but he made good with a vengeance. What he lacked in experience he more than made up by his fight and enthusiasm. He played his best game against Dover.

JAMES BRIDGEMAN

This was "Jimmie's" first year on the team and he certainly was always there, with the punch and pep. He was of great assistance to this year's team and we hate to see him leave.

*Bridgeman**Cramer*

*Dempster***RALPH DEMPSTER**

"Fat" the Moose is justly named. He not only played a terrific game all season, but, we will leave it to our opposition, if he isn't one of the best linesmen against whom they have ever played.

WALTER DeVAULT

"Inky" was also a letter man worthy of note. He always gave all he had for the Black and Gold, and he will return next year to do his share towards another successful season.

*McClelland***FRANK McCLELLAND**

Due to illness "Butch" did not take part in the early season games, but he surely made up for lost time when he did get in. As a receiver of the forward pass, "Butch" was excellence personified. We surely hate to see him leave.

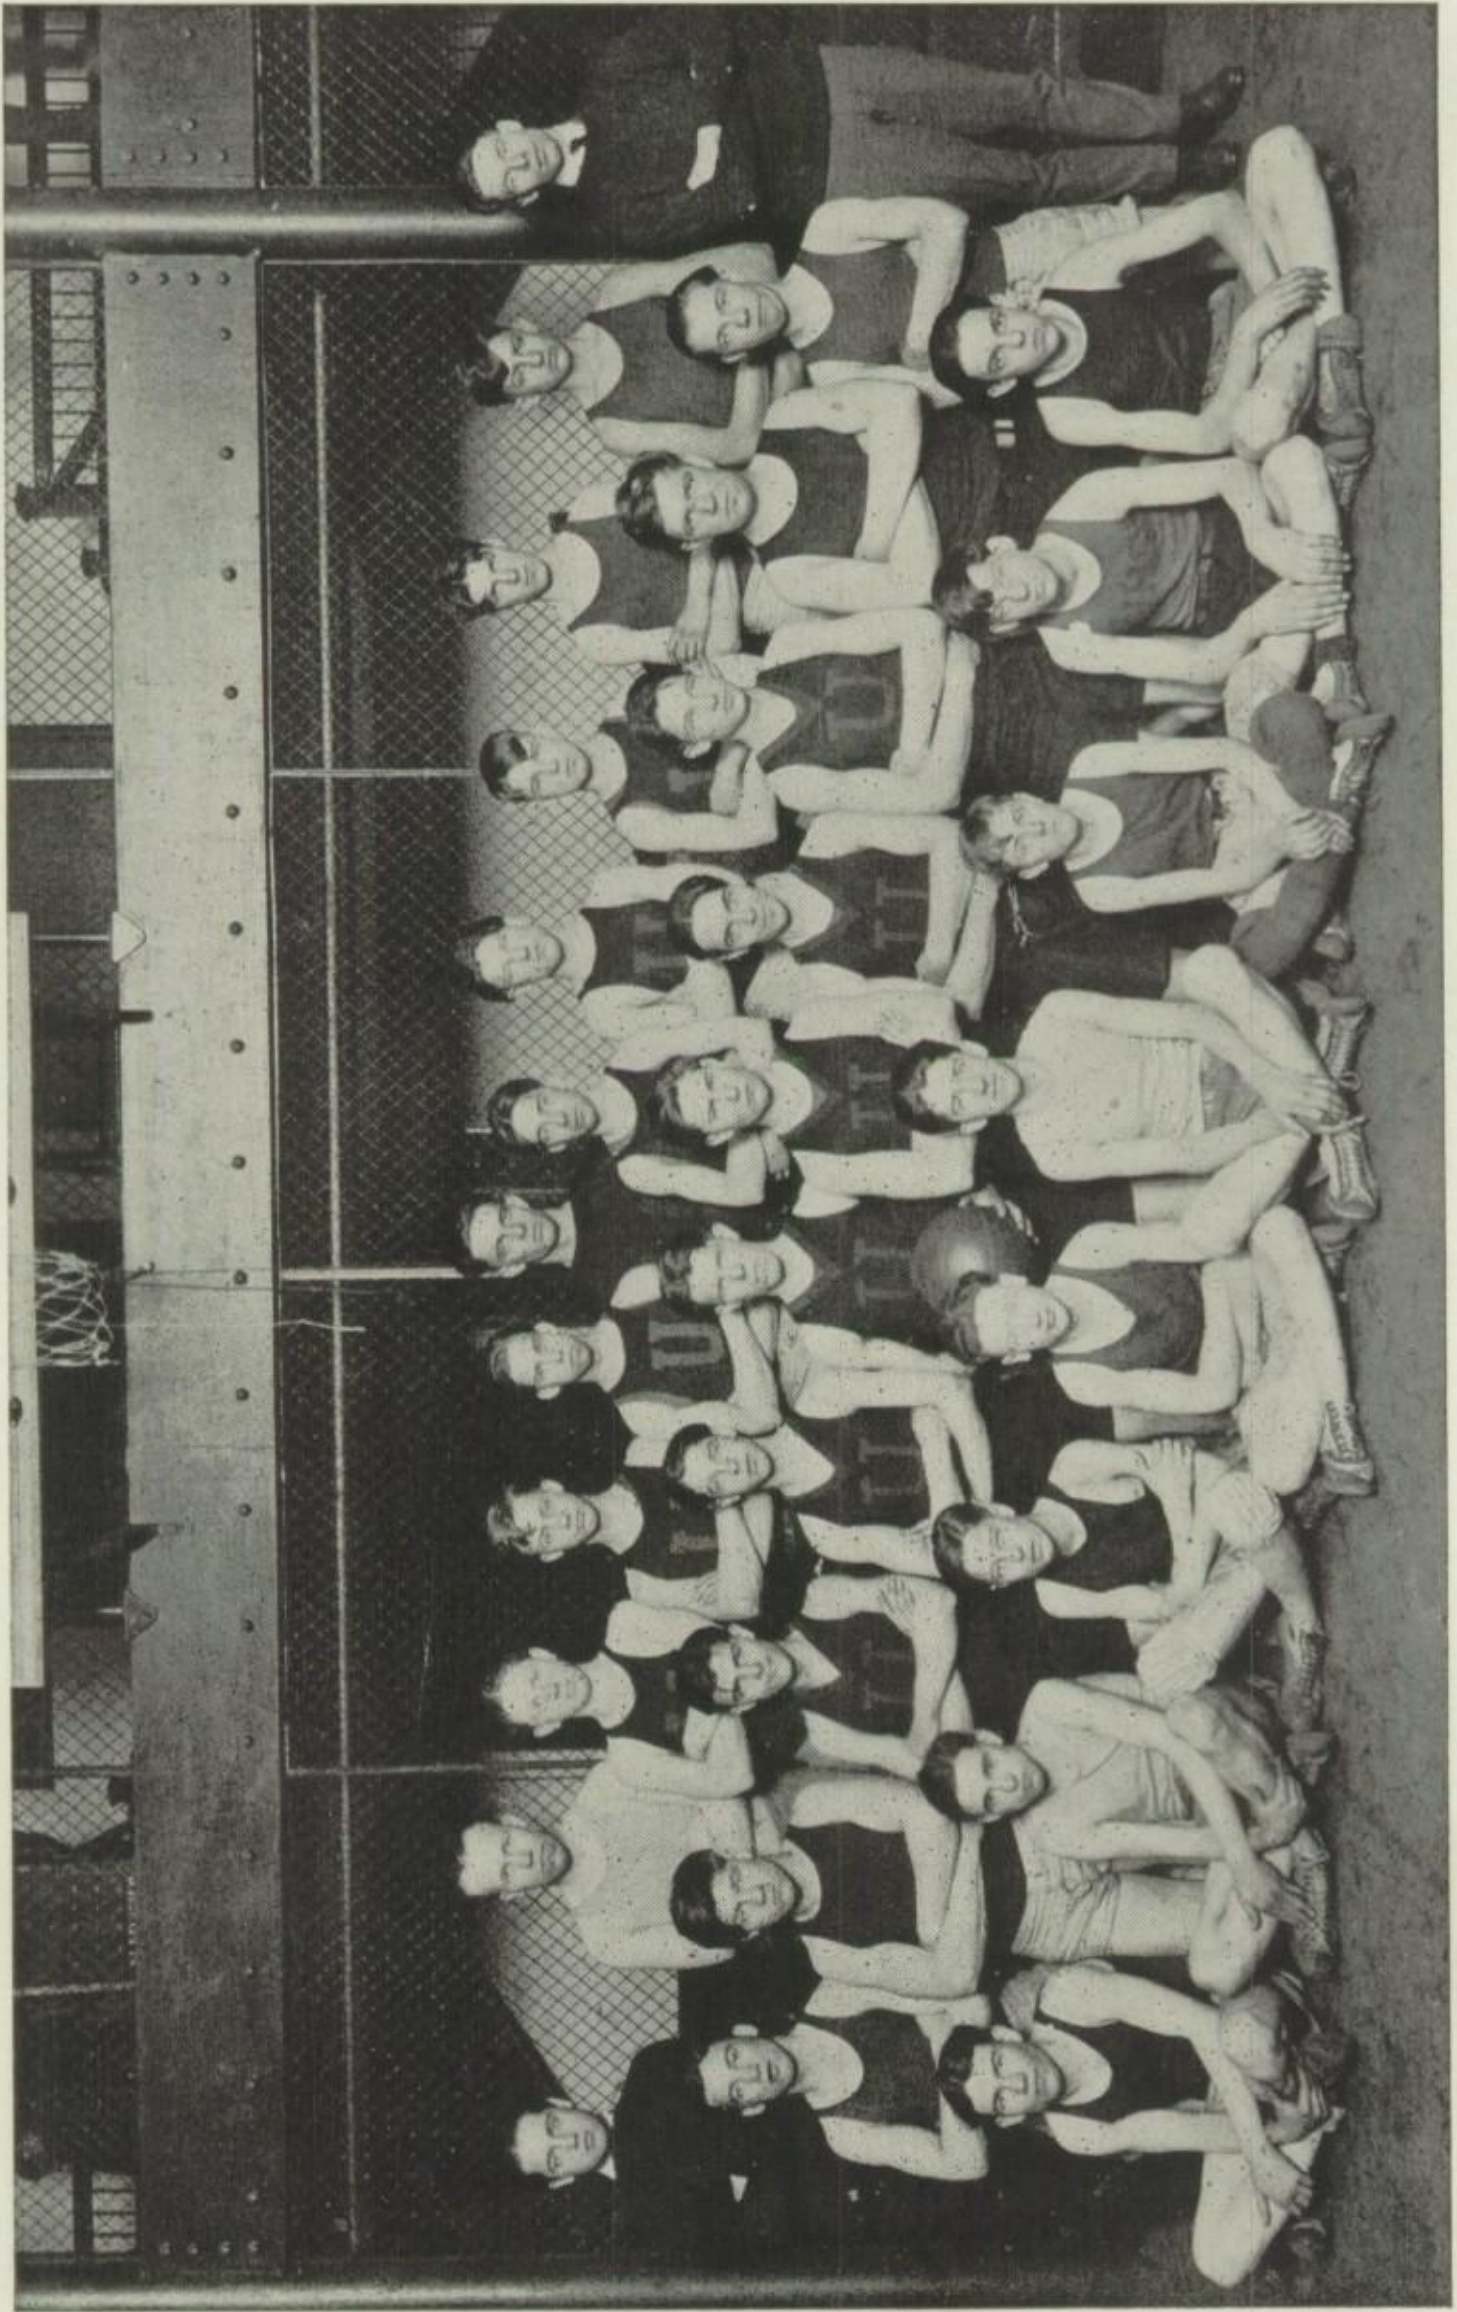

HAROLD LONG

(Captain-Elect)

"Hud" played quarterback like a veteran and his keen judgment helped the Black and Gold out of many tight places. He will return next year to pilot the team thru another successful season.

*Long***RALPH LAPORTE**

"Barney" has been our efficient and capable football Manager during the past season. Filling "Al's" shoes would be a big job for anyone, but Barney has more than made good and will be with us again next year.

BOYS' BASKETBALL SQUAD

BASKETBALL

Even tho our basketball season was not the success that football was, we do lay claim to having a good team. After losing several games by close margins, our team showed its fighting spirit by winning six of the last eight.

The climax of the season was reached in the Cambridge game. The Guernsey County quintet fully expected to add another victim to its long list of victories. Capt. "Red" Morris and his squad of huskies absolutely refused to be conquered, however, and the Black and Gold triumphed, 19 to 16. This is the first time in history that a U. H. S. basketball team has triumphed over Cambridge. The team can well be proud of its accomplishment.

The work of the second team thruout the season was remarkable. In an abbreviated schedule of four games they were victorious three times and lost the other by a scant margin of two points.

The class league as usual furnished keen competition. The championship was not decided until the final game in which the Seniors triumphed over the Juniors.

GIRLS' BASKETBALL

U. H. S. 12, *vs* Alumni 6.

The opening game played with the Alumni was the first "try-out" of girls' rules. They proved to be a success. The Alumni went down to a greater defeat than last year.

U. H. S. 11, *vs* New Philadelphia 12.

Our first game abroad was played at the county seat. Our big "aim" was to win from Phila. The game was fast and furious, each team playing their best. At the end of the first half the score stood 7-6 with Phila on the small end of the score. It was undecided who the victors would be until the final whistle blew.

U. H. S. 15, *vs* Coshocton 8.

Coshocton came here never once thinking of losing the game, but they were given a grand surprise. This is the first time U-ville girls have ever defeated Coshocton.

U. H. S. 25, *vs* Dundee 18.

Jan. 26th we found our way over the icy hills to Dundee. In the first half U-ville played circles around Dundee. In the half ending 18-4. Since Dundee put in a few boys' rules in the second half the game ended with a closer score. Hazel Siegrist and Dorothy Woodborne played a good game in the absence of two of the first team.

U. H. S. 38, *vs* Scio 4.

This game was a one-sided affair. U-ville with their fast team work just walked away with Scio.

U. H. S. 15, *vs* Dundee 4.

We again defeated Dundee. Dundee failed to score in the first half while U-ville scored seven points.

GIRLS' BASKETBALL TEAM

U. H. S. 22, *vs.* New Philadelphia 21

This game was fast and well played. Each team was determined to win. The first half ended 11-10 with U-ville ahead. In the last few minutes of the game the score was a tie, 21-21, and then came the foul which won the game for us. This game tied us for county championship.

U. H. S. 23, *vs* Orrville 20.

Orrville was similar to Phila- they had the size and the "stuff." This game proved very interesting to spectators from start to finish. In the third quarter the locals had a nine-point lead, then, due to a change in the Orrville lineup, the opponents rimmed three baskets in quick succession. The locals, however, came back and the game ended 23-20.

Playing new rules this year, and with the excellent coaching of Miss Rains, the team has had a very successful season, having won seven out of eight games. We hope that next year with "Pat" Patterson as Captain, the team will have as successful a season.

CLASS GAMES

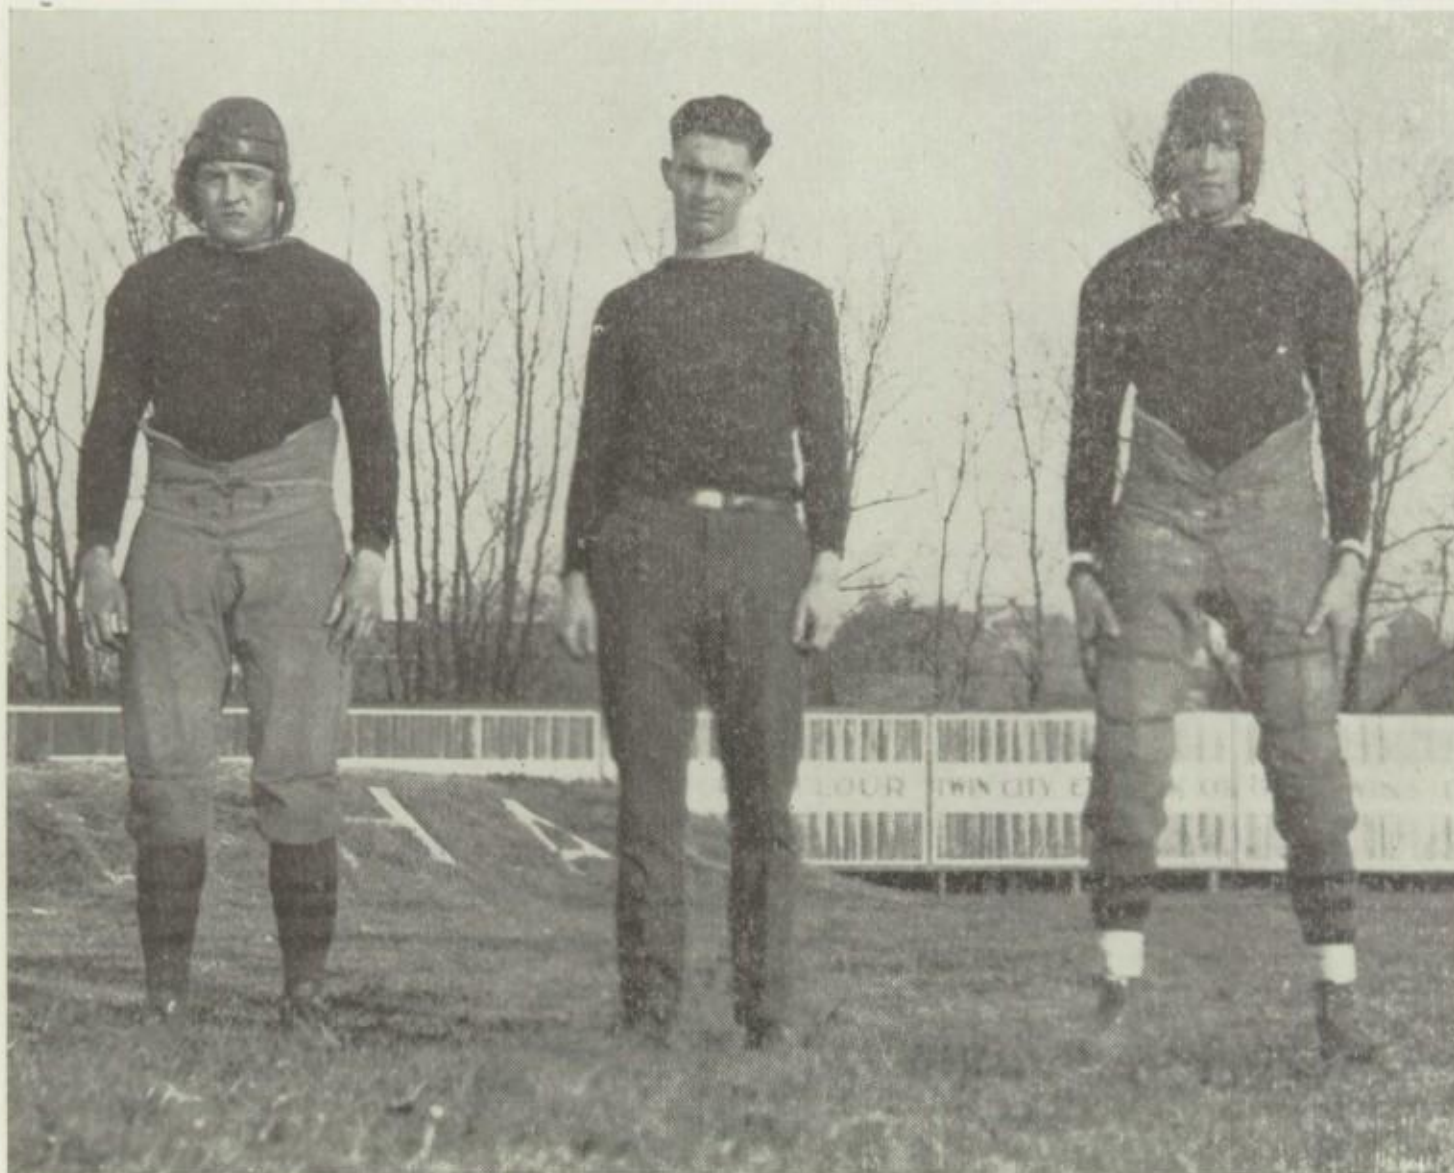

The first game of the interclass contests between the Sophomores and Juniors ended 14-2 in favor of Juniors. The best of all the games was that between the Freshmen and the Seniors. The Seniors, much to the surprise of the teams and spectators were defeated in an overtime period, 14-13. In the final game the Juniors scored the only four points of the game, thus claiming the class championship.

ROBINSON

MAURER

COACH ROBINSON

Out of the North came Robinson to show Tuscarawas County what real football is. "Jimmie" is a product of Alliance High and Mt. Union College. He played stellar football there, notwithstanding the fact that he was the lightest guard in the Ohio Conference. He was always up and at 'em and has succeeded admirably in imbuing his men with his own pep and fight.

FOOTBALL BLANKETS

We feel that we should take this opportunity to thank the committee of last year's Thanksgiving day game for the blankets which they presented to the Athletic Association. The blankets are black, trimmed in gold and have the Varsity "U" in the center. They added that essential finishing touch to a championship team. The appreciation of the boys is best expressed by "Big Doc's" picture on the opposite page which was taken immediately after he had received his blanket.

FOOTBALL HISTORY

The Echo staff, believing that U. H. S. football fans would be interested in a comparison of the scores of the various football teams which represented U. H. S., have endeavored to publish the correct scores of all the teams that ever represented U. H. S. on the gridiron. As the famous Twin City High School team which did not lose a game in two years was a combination of the athletes of both Uhrichsville and Dennison, the scores of that team are not given here. Uhrichsville High School football, strictly speaking, begins with Mr. Avery's first team in 1911. That team won from West Lafayette College and lost to Steubenville, New Philadelphia and Cambridge. The team of 1912 won from Scio and Canal Dover and lost to Massillon, Steubenville and Coshocton. Of the 1913 team no record seems to be available. From that time onward we have the complete scores as listed below:

RUTH SPECK WAUD

Uhrichsville High School, 1917.
Ohio University, 1917-1918.
Chicago Summer School, 1919.
Chautauqua, N. Y.
Supervisor of Music, Uhrichsville
Schools, 1919-1921-1924.

Mrs. Waud's energy has been an inspiration. Through her efforts a number of musical entertainments have been given which have been both pleasing and profitable.

GIRLS' GLEE CLUB

Under the supervision of Mrs. Waud the Girls' Glee Club has become an important factor in the school, there being regular classes twice a week.

On November 16th, the Club assisted by the grade pupils presented a musicale, "Chimes of Yesterday." The time was 1850, the costumes, and the old melodies which were sung were appropriate for this time. A double quartette composed of Edith Wagner, Martha Kennedy, Margaret Rice, Lyda Johnson, James Mitchell, Alvin Greenlee, George Hayes and Bill McCollam was especially pleasing. Thus, money was raised to help pay for the two pianos bought for school purposes.

On March 12th the Club again showed its ability in the presenting of a two-act comedy, "The Family Doctor." The cast included Ruth Horne, Edith Bennett, Bill McCollam, George Hayes, Alvin Greenlee, and Edith Wagner. The proceeds were given to the piano fund.

Much of the success of these entertainments was due to the High School Orchestra which furnished music at both times.

ORCHESTRA

At the monthly meetings programs are given which make the students better acquainted with Roman life and customs. The Club is progressing rapidly under the direction of Miss Rains.

Social Events

CARNIVAL PARTY

The first social event of the class of '24 was a costume party held in the gym on the eve of October twenty-ninth. Festoons of black and orange decorated the gym in keeping with the Hallowe'en season. After the grand march, in which prizes were awarded to Ruth Horne, Walter Heubner and Claire Moody, a pleasing program was given. Dante's Inferno, conducted by Isabelle Coppock, and dancing were features of the evening. Music was furnished by a four-piece orchestra. Denison doll caps were given as favors. Refreshments were served.

SENIOR-FRESHMEN PARTY

A poverty ball was given by the Seniors in honor of the Freshmen, March fifteenth, in the gymnasium. The gym was decorated in the favorite colors of the Emerald Isle. The following program was given:

Song—Dick Cummings.

Irish Melodies—Senior Quartette.

Class Prophecy—Margaret Condon.

Song—Virginia Chadwell.

News—Mr. Robinson.

Violin Solo—Georgia Romig.

Games, contests and dancing furnished entertainment for the remainder of the evening. Eats were served to the impoverished crowd.

SOPHOMORE PARTY

The Sophomore party was held Feb. 14, in honor of St. Valentine, in the High School gym. In accordance with custom, the gym was "heartily" decorated.

LATIN CLUB

The programme, greatly enjoyed by all, composed of a "Musical Romance," a dialogue by Jessie Waisner and Junior Matson, and a vocal duet by Margaret Rice and Margaret Romig, concluded with the class prophecy written by Florence Mong.

The remainder of the time was spent in dancing.

Delicious refreshments were served.

JUNIOR PARTY

The Annual party of the class of '25 was a "Hard Times Party," held at the Uhrich Street Building, Friday, October the twenty-sixth. The building was decorated in autumn leaves, corn stalks and black and gold crepe paper. Members of the class, faculty and sponsors were attired in the most ancient of costumes available. Margaret Patterson received the prize. After a short programme, the remainder of the evening was spent in dancing. Refreshments of Hot Dogs, doughnuts and cider were served.

The party was a great success, especially to the paternal pocketbook.

BASKETBALL GIRLS' PARTY

On Thursday, March 13th, members of the Girls' basketball team were the guests at a party given by Coach Rains, assisted by Miss Sargeant. Cards, music and dancing furnished entertainment for the evening. Margaret Patterson, a Junior, was chosen as Captain to lead next year's team. At the close of the evening, delicious refreshments were served by the hostesses.

GIRLS' ATHLETIC BANQUET

The annual banquet of the Girls' Athletic Association was held at the High School Building on the evening of Thursday, April 17th.

Presentation of basketball letters followed a sumptuous dinner, prepared and served by the Domestic Science pupils. Letters were awarded to Margaret Patterson, Ruth Horne, Pauline Evans, Katherine Maurer and Mildred Green. Emblems were given to Dorothy Woodborne, Martha Kennedy, Mildred Wilkinson and Hazel Siegrist.

The annual banquet of the Boys' Athletic Association was held Saturday, April 19th, at the High School Building. Sixty defenders of the Black and Gold on track, gridiron and the basketball court were present. After the banquet, athletic awards were made to basketball, football and track men of '23. Toasts were given by the letter men.

IN MEMORIAM

Walter Henry, '21

Florence VanOstran Fouts, '09

Bob Condon—"What can I get my girl for Christmas? I don't want her to know anything about it."

Roy Reitrich—"Get her a radio, she will never know anything about that."

NEEDED LOTS OF SPACE

A recruit wearing fourteens in boots had joined the Irish Free State Army. One night he was included in a rounding-up party, and when the roll was called afterwards he was absent. "Has anyone seen O'Hern?" asked the Sergeant. "Sir," said a voice. "He has gone up to the cross roads to turn around."

Florence Wardell—"Let's go on a sleighing party."

Fat Henry—"Who are we going to slay?"

Sergeant of Cavalry—"Where did you learn to ride a horse?"

New Recruit—"On the back, Sir."

Dempster—"What do you mean when you speak of 'Circumstance over which men have no control'?"

Bowser—"That Maxwell of yours."

Mr. Nissonger—"The Hotel Waitress says I'm the idol of her heart."

Miss Sergeant—"Well, isn't that nice?"

Mr. Nissonger—"Not when she lays burnt offerings before me at meal time."

A Freshie was lost on the African coast,
Where the cannibals held their sway;
And that Freshie was served on slices of toast, on the eve of the
very next day.
But the vengeance of heaven soon took its course, for the tribe of
Cholera Morbus died because that Freshie was green.

"ODE" TO MR. ROBINSON

He wore his college frat pin just southward of his heart,
And vowed that from that resting place that pin should ne'er depart.
Years that passed still found him ever firm and standing pat,
Still wearing his college frat pin in honor of his frat.
One day two eyes confused him, his high resolve took chase;
A soft voice coaxed the frat pin from its old abiding place.
They're now in a little bungalow with "Welcome" on the mat,
And the frat pin???—fastens baby clothes—
In honor of his frat.

Inquisitive One (to the piano mover)—"I say, old man, are the people leaving?"

The Mover—"No, you blinkin' idiot, I'm just going to take my music lesson."

Irma Chaney—"Are you taking good care of your cold?"

Clara Florence—"You bet I am. I've had it six weeks and it's as good as new."

Shindy Simpson—"What's the difference between a cold in your head and the calf of your legs?"

Fat Henry—"I don't know."

Shindy—"One is below your nose and the other is below your knees."

First Maid—"How did you like working for that High School Principal, Mr. Shimp?"

Second Maid—"I didn't like it; they were always quarreling and kept me busy running between the keyhole and the dictionary."

Miss Smythe—"Is that tire flat?"

Miss Clark—"A little bit flat at the bottom, but the rest is all O. K."

FOR GIRLS ONLY (READ BACKWARDS)

Didn't you if boy a be wouldn't you it read would you knew we.

Dorothy—"You say he's on the football team?"

Jean—"Oh, yes! He's some kind of a draw back."

A mother and son were walking in the zoo, and the little boy, seeing a zebra, cried, "Mama, hain't that the d—— zebra you ever saw?"

The mother looked sorrowfully at the boy and replied, "My son, how many times have I told you not to use that word HAIN'T!!"

Don Price—"Why so sad, Theodora?"

Theodora—"I just happened to think this is the last evening we can be together until tomorrow."

History Professor—"And when Lord Chesterfield saw that death was near, he gathered all his friends around him, but before he breathed his last, he uttered those immortal words. Who can tell me what the dying words of Lord Chesterfield were?"

Class in chorus—"They satisfy!"

COUNTERFEIT, PERHAPS

"We sell stamps with a smile," says a drug store ad. George looks pretty sober on all the stamps we've ever seen.

Page Mack Sennett! Little Willie, pointing to a picture of the zebra, said: "What's that?"

Little Johnnie—"Looks like a horse in a bathing suit to me."

Pauline—"I picked up a bargain yesterday."

Ethel—"Didn't they say anything to you?"

DRAMATIC CLUB

Presented the following:

The Freshmen in "Orphans of the Storm."

The Sophomores in "Lilies of the Field."

The Juniors in "The Wanters."

The Seniors in "Driven."

The Faculty in "The Exciters."

CLASS ROOM CLASSICS

Miss Mercer—"Senor Dumbauld, is Japan a Monarchy or a Republic?"

Kenneth Dumbauld—"It is a Republic, because they have a prince. I read in the paper that he is dead."

Mr. Nissonger (explaining Kinetic Energy)—"When a train starts, the people in it are always thrown to the back of the coach."

Miss Tannehill (in American History, referring to the fall of Ft. Niagara)—"And Niagara fell."

Carl Bender—"And it's still falling."

Mr. LaPorte—"And so trees contribute to the heat of the atmosphere."

Earl Clouse—"Many's the time I have been warmed by a birch."

Miss Mercer (speaking above noise in Spanish class)—"If you don't stop this noise, I will begin shaking right and left."

AT LEAST HE KNEW HIS MANNERS

Miss Sargeant—"Now, which one of you can give me the tenses of the verb 'to knife'?"

"Hud" Long—"I can, knife, fork and spoon."

Miss Tannehill—"We'll have slavery in the class for the rest of this month."

Mr. Hayes—"Your last paper was very difficult to read. Your work should be written so that even the most ignorant could understand it."

Inky DeVault—"What part didn't you understand, sir?"

ONE WAY

Domestic Science Teacher—"How can we improve the work of the cooking class?"

"Fat" Johnson (list'in' in)—"Make 'em eat what they cook."

"Fat" Dempster—"Since the air is made up of hydrogen and oxygen, if lightning struck it, would there be a flood?"

Miss Sargeant—"What was the occasion for the quotation, 'Why don't you speak for yourself, John?' "

Sophomore—"John Alden was trying to fix up a blind date for his friend."

Miss McCann—"Florence, turn around and stop talking. I gave you that seat on condition you would not talk."

Florence—"Well, it wasn't my fault."

Miss McCann—"Did you ever hear that little story about Adam? He said the same thing after he had eaten the apple."

Mr. Shimp in Chemistry Class—"Why is the Statue of Liberty green?"

Hillyear—"It's green with envy."

Hayes—"Automobiles run easier on damp days."

Wagner—"Why, yes! Even my bicycle runs easier on rainy days."

Barney—"Oh! You just think it does, because you peddle harder to get out of the rain."

Mr. Shimp (explaining ionization)—“Do you understand now, Dempster?”
Fat—“But why do the ions behave the way they do?”
Mr. Shimp—“Well, if I knew that I wouldn’t be here.”
Fat—“Would they shoot you for that?”

IN CHEMISTRY CLASS

Dempster—“Where do you get the chemicals for silver plating?”
Mr. Shimp—“From any chemical supply house.”
George Hayes—“Is he going to silver plate his Maxwell?”

One day in the main room a tapping noise sounded from the outside wall until it had attracted the attention of all.

Mr. Robinson—“Don’t be alarmed, that’s just the squirrels after Dempster.”

IN DETENTION

Miss Smythe—“We’ll have no more liberties in here.”
Shindy Simpson—“Give me liberty or give me death.”
Miss Smythe—“Who said that?”
Shandy—“Patrick Henry.”

Mr. Nissonger (discussing sound in Physics class)—“Miss Farrell, what is this part of the ear for?”
Avalene—“To wash.”

Mr. Hayes (speaking about Ancient History)—“Do you know why Hannibal crossed the Alps?”

A Junior—“For the same reason that the chicken crossed the road. You can’t fool us with a riddle.”

If all the Freshmen were placed in a line, holding hands, they would reach half-way across a good-sized lake. A lot of people are in favor of this scheme.

John Lytle—“What happened to your teeth in the football game today? You’ve lost your front teeth.”

Fat—“Didn’t lose a one. I’ve got them all in my pocket.”

The watchman in the graveyard approached a figure lying in the grass of the cemetery. He kicked the tramp, who awoke with an injured air.

“What are you doing?” yelled the guardian of the dead.

“Playing dead,” answered the weary traveler. “When in Rome do as the Romans.”

No girl buries her nose so deeply in books that she can’t get at it with a powder puff.

Lester Patterson—“Did you get some pretty good grades?”

John Lebew—“Well, none you couldn’t pull with a Ford.”

Edith Bennett—“I fell last night and struck my head on the piano.”

Ed Bender—“Hurt yourself?”

Edith—“No; luckily I hit the soft peddle.”

There is a freshie so bright that he discovered that blank note books are written by anonymous authors.

Ruth Horne—"I've a compliment for you."

Irma Hines—"Well, what is it?"

Ruth—"Somebody said you had acute indigestion."

Page—"I hear that they've just found Napoleon's bones."

Bender—"I didn't know he was a gamblin' man."

A notice was placed on the Bulletin Board: "If the person who took my History notes from my locker will return them before exams, no questions will go unanswered."

Irma Hines—"—and the bride was in crepe de chine."

Carl Bender—"I don't care what kind of a machine she was in."

CURRENT RELEASES AND OUR CHARACTERS THAT PORTRAY THEM

Florence Murray—"How do they make green gold?"

Barney—"Dye it."

CONFIDENTIAL

Dear Friend:

I am sorry that my magnetite is not very good today on account of having to attract so much of this physics that my battery brain knows little of, and has no desire to have such a magnetic current of knowledge induced into it. I wish the men that invented this stuff would have to rest in simple cells the remainder of their lives (both mortal and immortal), for I know not even the primary. May I soon be free from this life saturated by the three great modern evils, Mr. Nissonger, Physics and Static. May the retentivity of your mind recognize the permeability of my thoughts.

As Electricity (Shocking),

IRMA CHANEY, '24.

Teacher (of a kindergarten)—“Now, children, get down and play that you are chickens.” All the children began to flap their wings, cackle and crow. But Johnnie sat still.

Teacher—“Come on, Johnnie, you be king of the barnyard, the big red rooster.”

Johnnie—“Shh, I’m laying an egg!!”

A stranger was being shown through the Boston Chapter of the G. O. O. F’s. “And this is the lodge room?”

The Bostonian—“Well it is rather lodge, of course, but the room next to it is much lodgah.”

A large and loud-voiced man was reading a newspaper in the lobby of a certain hotel. A small man entered the room and forgot to close the door. The large man jumped to his feet and called the little man various names. Finally he roared: “Were you brought up in a barn?” The little man said nothing, but quietly closed the door. As the large man watched he saw that the little fellow was choking with sobs and large tears were rolling down his cheeks. The large man feeling sorry, said: “My good man, I didn’t mean to insult you by saying you were raised in a barn.” The little man slowly lifted his head and said tearfully: “That’s just it, sir. I was raised in a barn, and it always makes me homesick to hear a donkey bray.”

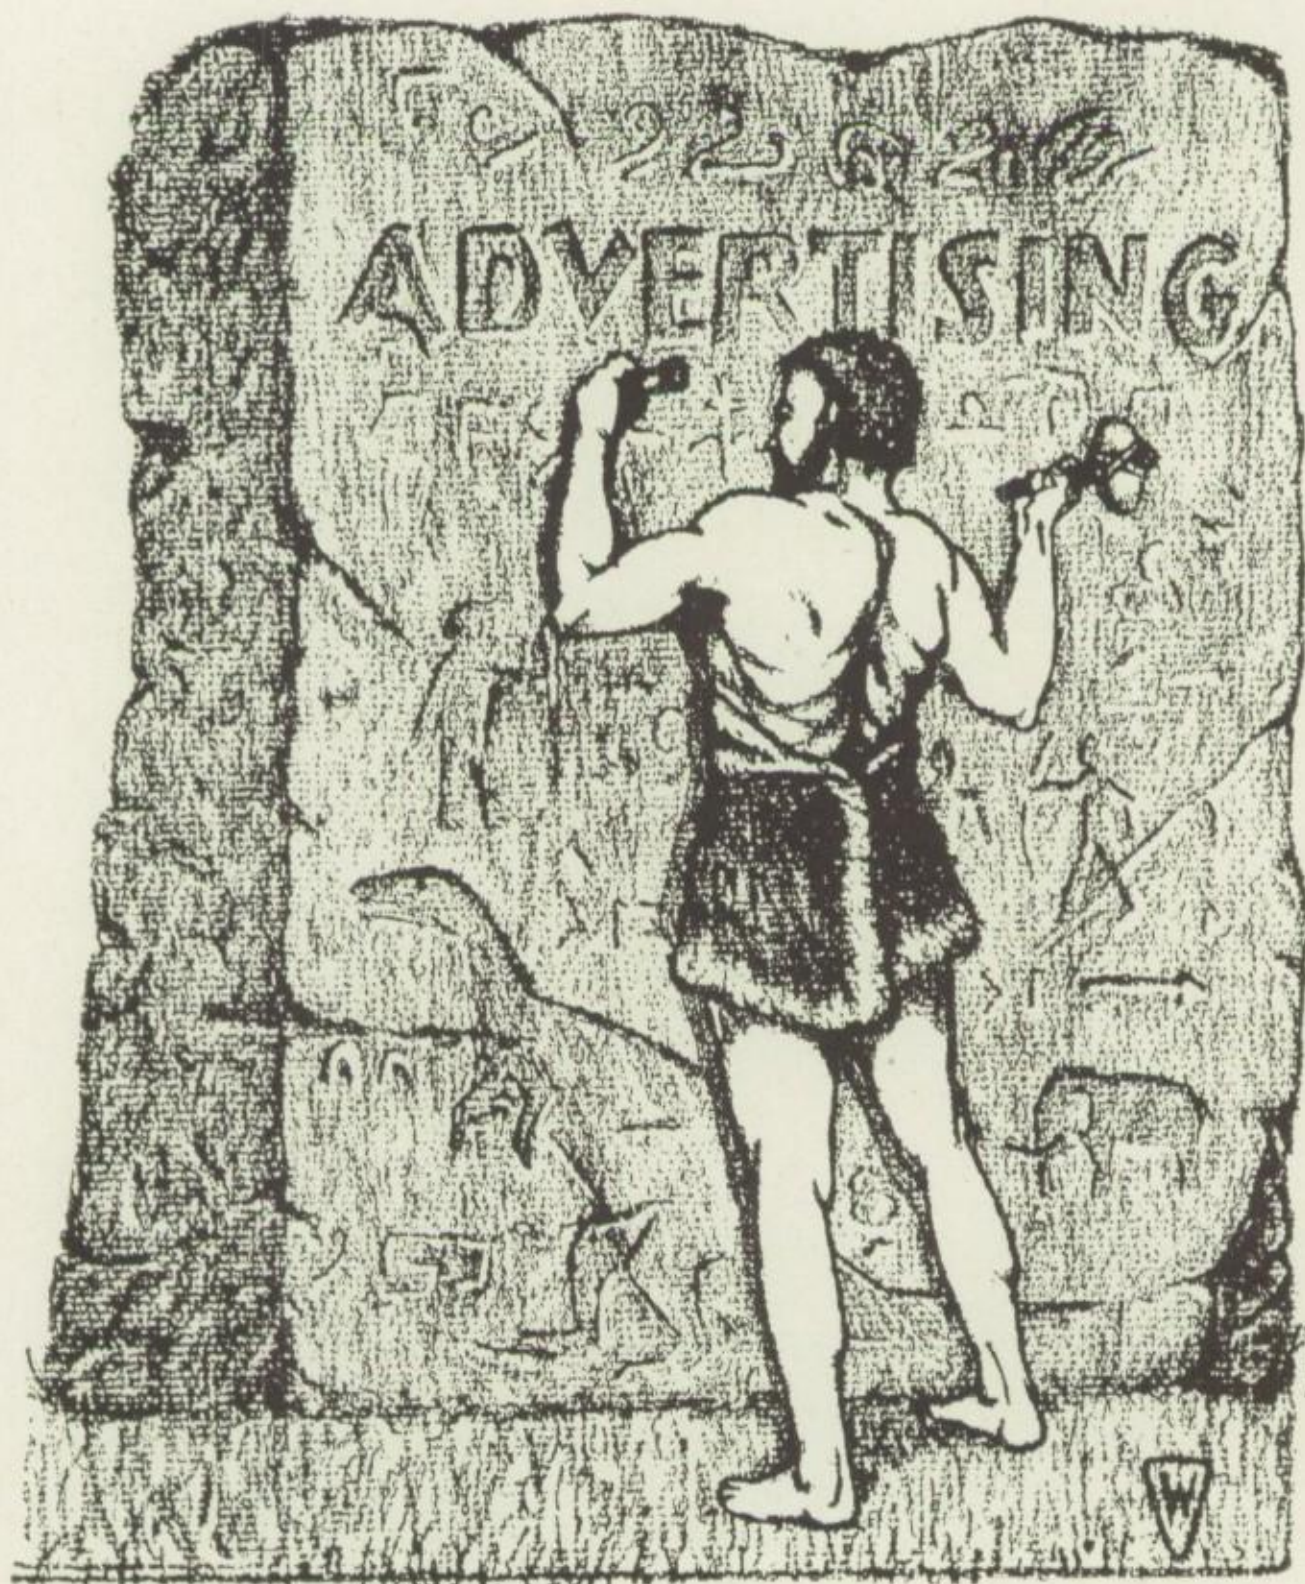

A Senior Girl—“I hear they’re putting something in the Annual about you, Lawrence.”

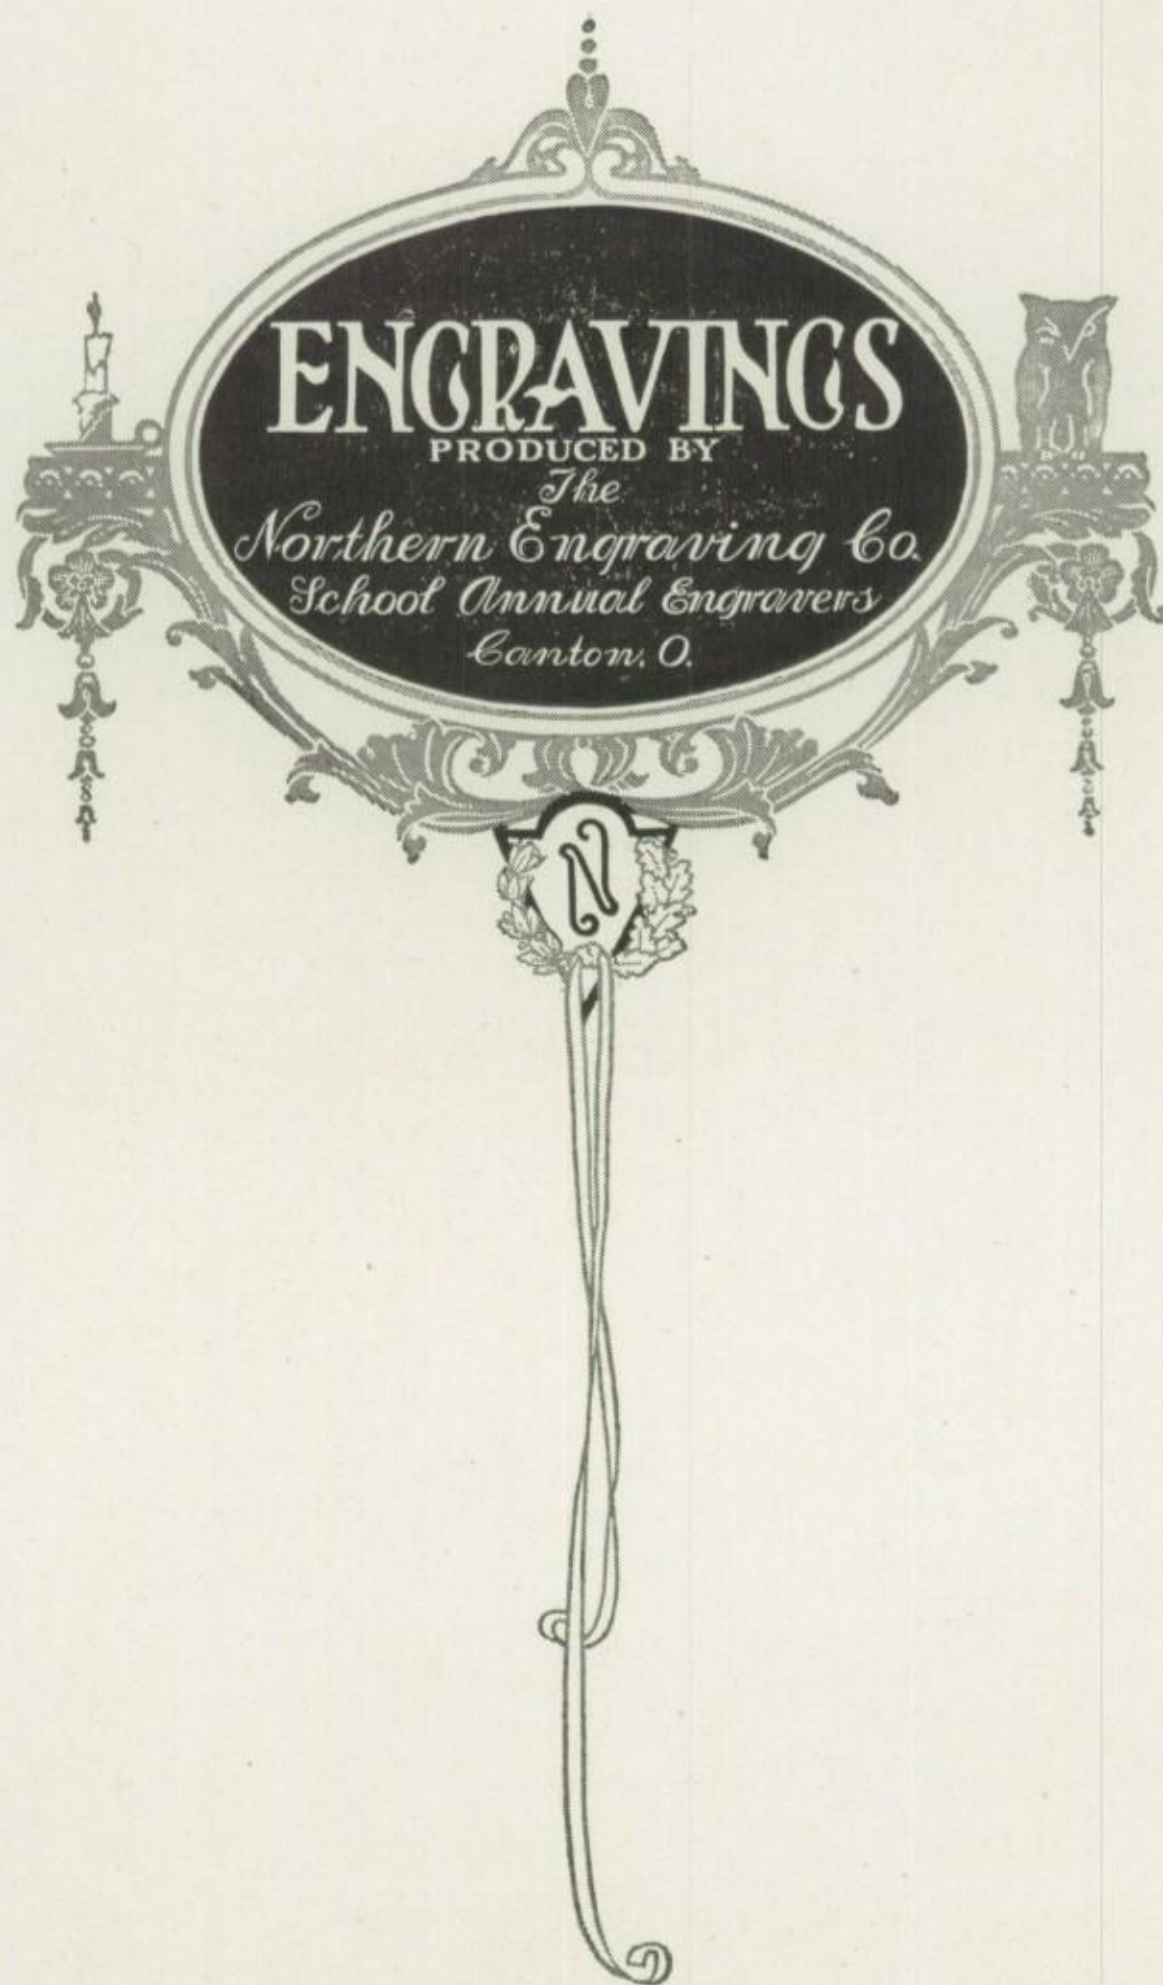

Lawrence—“I don’t care what it is, just so it’s educational.”

A Blushing Society was organized in the High School with Mr. LaPorte as president; Red Galbraith as vice-president; Benjamin Price as secretary. This club, though small and exclusive, has attracted much attention. Their emblem is a Red

- Know Who Makes Them - When You Buy Clothes

WHEN you buy Clothes ready made---the kind that all SENSIBLE people now buy---be sure that there is on the clothing a NAME that you know.

When a man puts millions into advertising a name he has something at stake. He doesn't destroy that name, which is worth more than all his factories.

Also, when he puts millions into building up a name, you know that he must have a name that is WORTH something and that is based on honesty.

You realize the importance of having the right name attached to your clothing when you read that fifty millions of ready-made clothing for men and women is ruined every year when sent to the cleansers because seams in the clothing are glued together instead of being sewn. And the buttons are made of material that melts and disappears under steam heat.

LOOK FOR THE NAME. A good name, well known, well established. When you find it you will know that you have found something worth buying.

UNDER BARR'S GARAGE

Are You Going to be a Success or a Failure?

SETTLE the question definitely once and forever. You cannot be a success if you spend all you make. That's positive. And the chances are you will never save much without a definite plan. The best way is to open an account with this Bank. The amount of the first deposit is not important---one dollar will do---then add a certain amount regularly. You will be surprised how rapidly your account will grow if you follow such a plan.
